LETTER REQUEST

Re: Andrea J. Nussinow v. Columbia Co., et al.
Case No.: 1:19-cv-332 (FJS/CFH)

Dear Judge Hummel:

Pursuant to the discussions had in the Rule 16 teleconference held this morning in the above-entitled matter, we have confirmed that the Columbia County District Attorney will provide copies of the case file and grand jury materials related to the underlying prosecution of plaintiff in response to a judicial subpoena from this Court. Accordingly we submit herewith a proposed subpoena for said materials to be "So Ordered" by Your Honor, if the same is in acceptable form.

Thank you for your kind consideration of this request.

Respectfully submitted,

MURPHY BURNS LLP
